

CINEMA INTELLIGENCE
Your competitive advantage

Introducing Cinema Intelligence Budgeting

AI-powered Cinema Intelligence Budgeting will quickly consolidate and analyze your cinema historical data and the impact of social distancing regulations to predict budget scenarios.

Save time and focus on conversations about how your budget will support your business and boost moviegoers confidence.

Business Benefits:

- ✓ Understand revenue opportunities for the remainder of 2020
- ✓ Forecast impact of movie release schedule changes on future revenue
- ✓ Model social distancing regulations and their impact
- ✓ Run “what-if” scenarios for your budget

Cinema Intelligence is an AI-powered solution for forecasting, distributor negotiation, automated scheduling, and business analysis.
